

## Ofelia \_Table lamp

Cordless, rechargeable, battery table lamp. A touch control on the top of the lamp head allows you to switch the light on, adjust its intensity and select its color temperature. And thanks to its high IP rating, the lamp can also be used outdoors. The lamp is equipped with a dimmer setting memory function that memorizes the dimming steps, so that every time it is switched on, the light intensity will correspond to the level set previously. The lamp is suitable for both indoor and outdoor use. The lamp comes with a contact charging base. USB charger included for LD1870 and not included for LD2870.
